*Gusher '70*

*Bolivar Central School  
Bolivar, New York  
Volume 32*

# *Dedication*

*Mrs. Evangeline F. Young*

The "Gusher" is annually dedicated to some deserving member of the school staff who has shown hard work and unlimited concern for the welfare of the students. This year, the Class of 1971 is proud to dedicate this "Gusher" to Mrs. Evangeline F. Young. Throughout her 18 years of teaching, she has shown the ideas and qualities of an outstanding teacher. Our heartfelt gratitude goes out to Mrs. Young, who has brightened the everyday monotony of the classroom with the help of music.

EVERY ADDITION TO TRUE KNOWLEDGE  
IS AN ADDITION TO HUMAN POWER

To the 1971 Senior Class:

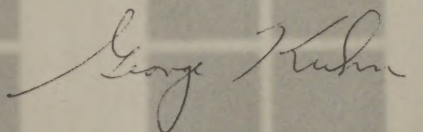

Our best wishes for your success and happiness in the years to come—may your hopes and dreams come true for the benefit of all mankind.

Graduation is an important indication of your achievement and dedication to a task—make it the first stepping stone for a full and successful life. The foundation blocks have been carefully placed. Continue to apply yourself—the rewards are unlimited.

Every generation strives for a change and succeeds, but as the pace quickens, do not lose sight of the responsibilities we all have to maintain this great country of ours. The hopes for the future must be sound because we are constantly building—not destroying. The Challenge is yours.

Our very best wishes for the fulfillment of all your dreams.

Sincerely,

George Kuhn  
Supervising Principal

# *In Memoriam*

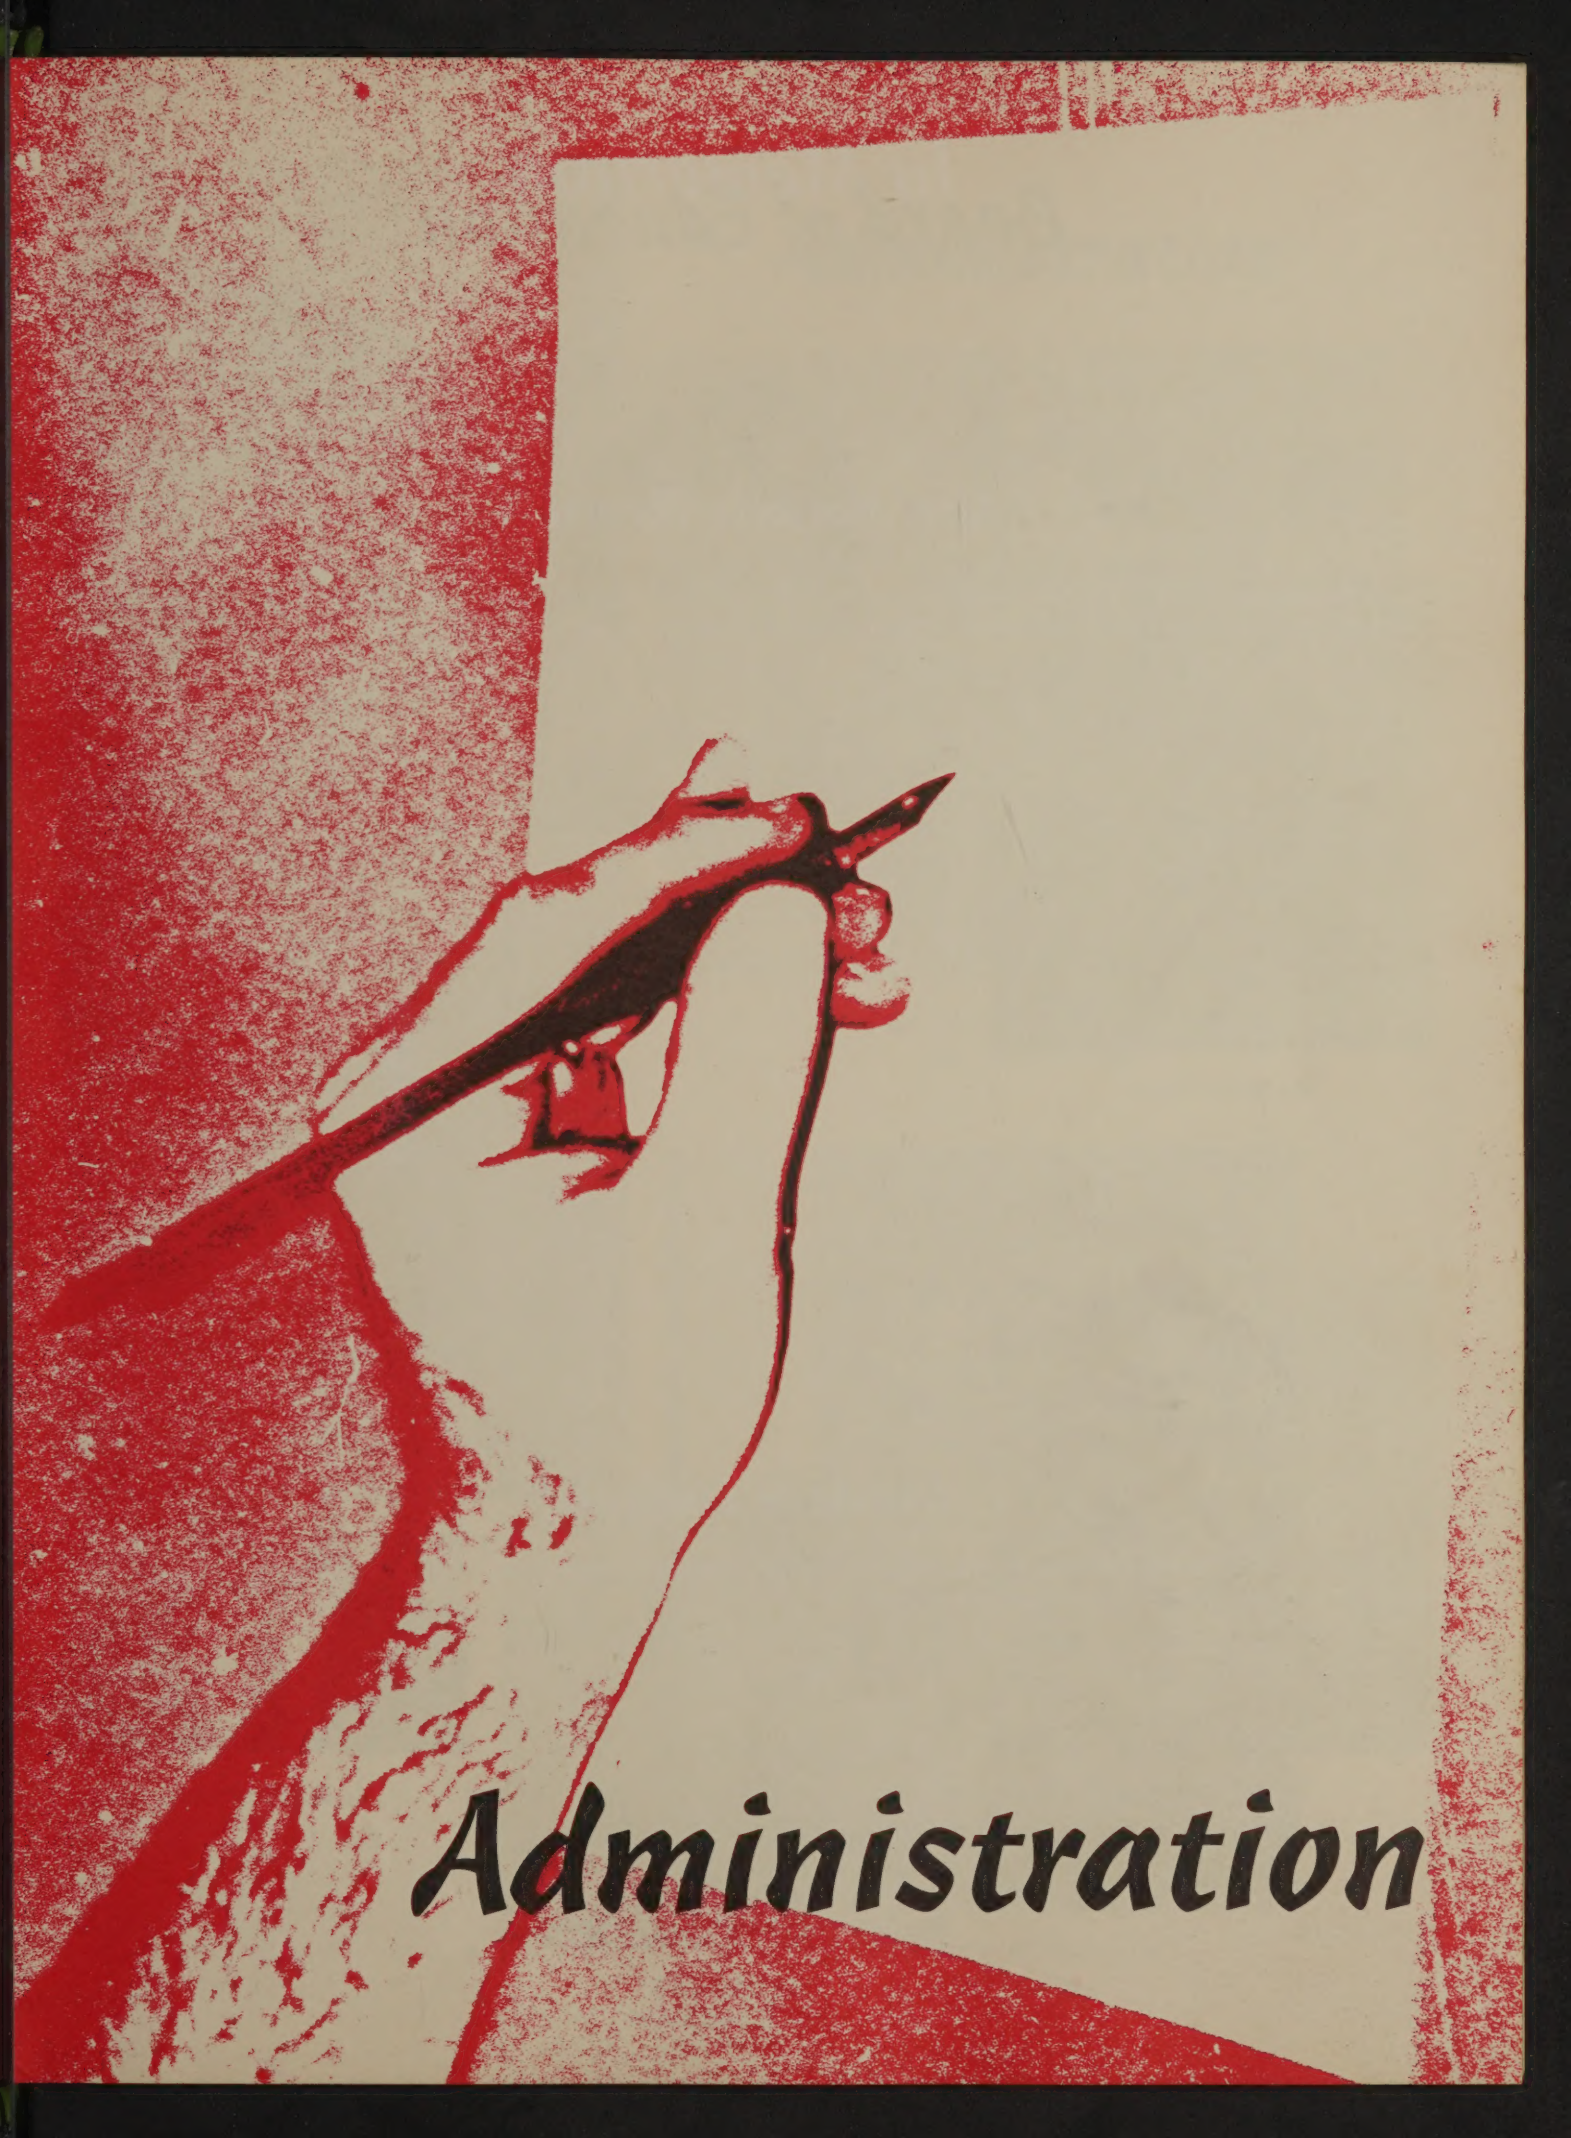

## *Mrs. Marjorie Thomsett*

In the spring of 1970, Bolivar Central School was shocked to learn of the tragic death of Mrs. Marjorie Thomsett. Her many years of teaching Home Economics and her dedication to her students will not be forgotten.

## *Lou Anne Lindquist*

The Class of 1971 was saddened by the death of a fellow classmate during our 1960-61 school year. Even though she was only with us for a few years, her memory is still present.

The Class of 1971 finally brings their last year to a close. But the memories of these sometimes endless, sometimes terribly fast 12 years will always be remembered; from "Snow White" to the Junior & Senior Plays; from Christmas cards to magazines; from parties to parties to parties; from football to basketball to track; and last, but certainly not least, from D.C. to Graduation. They've lived and learned, and they'll always remember.

Unchanging would have to be the word for the Bolivar Bulldog football team of 1970 as it produced a 2 win, 5 loss season, matching that of the last three years. Injuries to John Greene and Lance Shaner before the season started were part of the reason, but there were also many other big factors.

The Seniors on the squad include Duane Sherwood, Dan Adams, Bowler Day, Lance Shaner, Kelly Monahan, Ray Allen, Mike Smith, John Greene, Dan Fuller, Marty Torry, Jim Day, Don Pinney, and Bob Blauvelt. Hopefuls for next year's team are Rodney Fitch, Steve Yehl, Bob Salzer, Barry Church, Kevin Ezell, Don Paffie, Joe Molisani, Rick Cornelius, Mark Crowley, and Steve Hosmer. Good luck in 1971!

# Harriers

FIRST ROW: John Wight, Jim Grey, Gary Mergler, Lester Gregg, Doug Mitchell, John Allen, Detlef Barth. SECOND ROW: Alton Thurston, Tom Wight, Tom Bentley, Marty Monahan, Jim Sullivan, Rick Fulton, Coach Stabley.

Coach Stabley must feel a great amount of encouragement after his 1970 Cross Country Harriers turned in their best year ever. Captain Lester Gregg sparked the extremely young team along with Detlef Barth, John Allen, Doug Mitchell, Gary Mergler, Jim Grey, and John Wight. John Allen is the only one to be lost from next year's team. The Harriers turned in a 26-13 dual competition record with a 6th-place finish out of 12 teams in the Conference.

Although some of his Jr. High runners will be lost to football next year, Coach Stabley feels that next year will be the peak of a three-year building program and his Harriers should be contenders for years to come. All the luck in the world to next year's team.

# Wrestlers

The 1971 Bolivar Building wrestling team, packed with experience from last years 8 won 7 lost campaign, began the season much the same as last year, losing the heartbreakers by one or two points. Back from last years squad are Jim Hungerford - 121, Rack Childs-112, Dan Adams-126, Mike Smith-145, Al Brown-177, Steve Hosmer-167, and Brad Sexton-heavyweight. Also back are Bob Wight-138, and Kelly Monahan-132. Coach Dunning's grapplers lack experience, but with a little desire can produce a fine, winning season next year.

The 1970-71 Bulldog basketball season, scheduled to be the toughest in years due to a change in leagues, was most impressive. Matched against all the powerhouses of last year's Allegheny "C" League, the Bulldogs displayed both hustle and attitude in their hopes to gain one of the two play-off berths in this year's set-up. Coach Lindamer's cagers inspired by the renewed spirit from the Bulldog fans, provided all the excitement necessary for a great season. For this we are proud of them and congratulate them for their high school performances.

With Marty Torrey, Rick Cornelius, and Ritchie Torrey in the sprints, John Green and Kelly Monahan in the hurdles, Detlef Barth, Lester Gregg, Don Paffie, and Joe Molisani running the distances, and Mark Crowley, Lance Shaner, Jim Hungerford, and Steve Yehl in the field events, Coach Dunning's cindermen have set their sights for the magic number "9". Let's wish them all the luck in the world and congratulate them for their remarkable success over the last eight years.

# Baseball

Coach Lindamer's Bolivar Bulldogs are anticipating what could be termed as a "REVENGE" season in the Allegheny Class "C" Baseball League in 1971. After last year's humiliating defeat at the hands of Elba in the playoffs, the Bulldogs hope to put it all together. Losing strength only on the mound & parts of the infield, the experience necessary for a great season is certainly present this year. Let's hope so, & wish the Bulldogs lots of luck for the coming seasons.

What can I say to you? I'll just write down a few words

forget me, the boy in letters, and letters, and letters, and letters,  
and I don't know you, the library I found and now have
